FIRST QUARTERLY RESULTS ANNOUNCEMENT FOR THE THREE MONTHS ENDED 30TH JUNE, 2005

CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET (“GEM”) OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)

GEM has been established as a market designed to accommodate companies to which a high investment risk may be attached. In particular, companies may list on GEM with neither a track record of profitability nor any obligation to forecast future profitability. Furthermore, there may be risks arising out of the emerging nature of companies listed on GEM and the business sectors or countries in which the companies operate. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

The principal means of information dissemination on GEM is publication on the internet website operated by the Stock Exchange. Listed companies are not generally required to issue paid announcements in gazetted newspapers. Accordingly, prospective investors should note that they need to have access to the GEM website in order to obtain up-to-date information on GEM-listed issuers.

The Stock Exchange takes no responsibility for the contents of this announcement, makes no representation as to its accuracy or completeness and expressly disclaims any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this announcement.

This announcement, for which the directors (the “Directors”) of Chinainfo Holdings Limited (the “Company”) collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on the Growth Enterprise Market of The Stock Exchange of Hong Kong Limited (the “GEM Listing Rules”) for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief: (1) the information contained in this announcement is accurate and complete in all material respects and not misleading; (2) there are no other matters the omission of which would make any statement in this announcement misleading; and (3) all opinions expressed in this announcement have been arrived at after due and careful consideration and are founded on bases and assumptions that are fair and reasonable.

NOTES ON THE UNAUDITED QUARTERLY RESULTS

1. GENERAL

The Company was incorporated in the Cayman Islands on 23rd May, 2002 with limited liability under the Companies Law (2001 Second Revision) of the Cayman Islands. The shares of the Company were successfully listed on the GEM on 15th November, 2002.

The principal activities of the Company is investment holding. The Group was principally engaged in the operation of financial website, production of financial programmes and videos and the provision of financial information and investor education.

2. BASIS OF PREPARATION

- (i) Adoption of new Hong Kong Financial Reporting Standards and Hong Kong Accounting Standards (“New HKFRSs”)

The Hong Kong Institute of Certified Public Accountants (“HKICPA”) has issued a number of New HKFRSs which are effective for accounting periods beginning on or after 1st January, 2005. The Group has adopted the New HKFRSs in the preparation of accounts for the period from 1st April, 2005 onward. The comparative financial statements for 2005 have been restated in accordance with the relevant requirements of the New HKFRSs, if applicable.

The adoption of Hong Kong Financial Reporting Standards 2 – Share-based Payments (“HKFRS 2”) has resulted in a change in accounting policy for share options. Prior to this, the provision of share options to employees and directors did not result in a charge to the profit and loss account. Following the adoption of HKFRS 2, the fair value of share options at grant date is amortized over the relevant vesting periods to the profit and loss account. The Company has not applied the HKFRS 2 retrospectively as share options of the Company granted after 7th November, 2002 had vested at 1st April, 2005.

The adoption of other New HKFRS does not result in substantial changes to the Group’s accounting policies except presentation and disclosure of the accounts will be effected on the 2006 half year and annual reports.

- (ii) The unaudited consolidated results have been prepared in accordance with Hong Kong Accounting Standards and Hong Kong Financial Reporting Standards issued by the HKICPA, the applicable disclosure requirements of the Hong Kong Companies Ordinance and the GEM Listing Rules. The unaudited consolidated results have been prepared under the historical cost convention.
