FIRST QUARTERLY RESULTS ANNOUNCEMENT FOR THE THREE MONTHS ENDED 30 JUNE 2006

CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET ("GEM") OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE "STOCK EXCHANGE")

GEM has been established as a market designed to accommodate companies to which a high investment risk may be attached. In particular, companies may list on GEM with neither a track record of profitability nor any obligation to forecast future profitability. Furthermore, there may be risks arising out of the emerging nature of companies listed on GEM and the business sectors or countries in which the companies operate. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

The principal means of information dissemination on GEM is publication on the internet website operated by the Stock Exchange. Listed companies are not generally required to issue paid announcements in gazetted newspapers. Accordingly, prospective investors should note that they need to have access to the GEM website in order to obtain up-to-date information on GEM-listed issuers.

The Stock Exchange takes no responsibility for the contents of this announcement, makes no representation as to its accuracy or completeness and expressly disclaims any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this announcement.

This announcement, for which the directors (the "Directors") of Chinainfo Holdings Limited (the "Company") collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on the Growth Enterprise Market of The Stock Exchange of Hong Kong Limited (the "GEM Listing Rules") for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief: (1) the information contained in this announcement is accurate and complete in all material respects and not misleading; (2) there are no other matters the omission of which would make any statement in this announcement misleading; and (3) all opinions expressed in this announcement have been arrived at after due and careful consideration and are founded on bases and assumptions that are fair and reasonable.

The increase of net loss was mainly attributable to the increase of administrative expenses and finance costs during the period.

BUSINESS REVIEW

The Board considers that the PRC multimedia and internet market is a fast growing sector with significant business potential. To capture the benefit of this fast growing market, the Group has been seeking opportunities to form alliances or corporation with companies and partners who have well developed multimedia networks in the PRC.

On 1 February 2006, the Group entered into the CCI Agreement (as defined in the Company's circular dated 15 March 2006) in respect of a conditional very substantial transaction involving the acquisition of certain licensed rights to publish, replicate, reproduce, manufacture, distribute and sell thirty-four computer game softwares and computer game guide books in the retail stores, cybercafes, and on-line servers located in the PRC (excluding Hong Kong, Macau Special Administrative Region and Taiwan) and all the rights and benefits in relation to the organization of electronic sports tournaments in respect of the computer games in the PRC (excluding Hong Kong, Macau Special Administrative Region and Taiwan) (the "Licensed Rights") and the CCP Agreement (as defined in the Company's circular dated 15 March 2006) in respect of the continuing connected transaction in relation to the license of the Licensed Rights. The conditional very substantial acquisition was completed on 31 March 2006. Details of the acquisition have been set out in the announcement and the circular of the Company dated 1 February 2006 and 15 March 2006 respectively.

The Board considers that the acquisition of the Licensed Rights is a strategic move to expand the Group's business and to enhance the Group's market foothold in the PRC multimedia and internet market, and in particular, the growing industry of computer and on-line games. Moreover, the Board believes that the computer game and electronic sports industry in the PRC will develop rapidly in the years to come under the industrial policy supports from the PRC government. As such, the acquisition of the Licensed Rights will enable the Group to capture such development opportunity.

Licensing income from the license of the Licensed Rights

The Group receives the Annual Payment (as defined in the Company's circular dated 15 March 2006) under the CCP Agreement for a period of ten years and the Annual Payment will be adjusted annually by a compound rate of 10%. For the three months ended 30 June 2006, the revenue derived from the license of the Licensed Rights was approximately HK\$4,808,000. No revenue was derived from the license of the Licensed Rights for the corresponding period in 2005.

Provision of real-time financial information services

For the three months ended 30 June 2006, the revenue derived from the provision of real-time financial information services was approximately HK\$387,000 as compared to approximately HK\$367,000 for the corresponding period in 2005. The revenue derived from this source is relatively stable.

Conversion of the convertible bonds

On 13 April 2006, the registered holder of the convertible bonds has elected to exercise the conversion rights attached to the convertible bonds to convert the whole principal amount of HK\$5,000,000 into the shares of the Company at the conversion price of HK\$0.42 per share. 11,904,761 shares of the Company were therefore issued and allotted to the holder of the convertible bonds.

Top-up placing (the "Top-up Placing")

On 15 May 2006, China Communication Investment Limited ("CCI") and Superhero Limited ("Superhero") entered into a placing and subscription agreement with VC Brokerage Limited (the "Placing Agent") pursuant to which the Placing Agent agreed with CCI and Superhero to place up to a total of 100,000,000 existing shares, at the placing price of HK\$1.50 per existing share to not less than six placees who will be third parties independent of the Group and its connected persons on a best effort basis (the "Placing and Subscription Agreement"). Under the Placing and Subscription Agreement, CCI and Superhero agreed to subscribe for the subscription shares, which are equal to the number of the placing shares that they placed respectively under the placing. The Placing Agent has successfully placed a total of 97,230,000 existing shares on behalf of CCI and Superhero to sixteen placees, comprising institutional and individual investors who are independent of and not connected with any of the Directors, chief executives, substantial shareholders or management shareholders of the Company or an associate of any of them, at the placing price of HK\$1.50 per existing share. The net proceeds of the Top-up Placing amounts to approximately HK\$142.8 million and was intended to be used by the Group as general working capital.

Repayment of the promissory note

Pursuant to the CCI Agreement, part of the consideration for the Licensed Rights was satisfied by Pro-Concept issuing a promissory note (the "Promissory Note") in the principal sum of approximately HK\$116.05 million to CCI.

On 22 June 2006, the Board and CCI agreed to terminate the Promissory Note with effect upon payment to CCI in cash a sum of HK\$69,911,478. Such amount was paid by the Company on that same date from the net proceeds of the Top-up Placing which was sufficient for the said purpose. Such sum of HK\$69,911,478 was determined with reference to the carrying value of the Promissory Note which is estimated to be about HK\$69.73 million as at 31 March 2006 and calculated by discounting the expected future cash flows at the agreed borrowing rate of 5.1% per annum with CCI.
